If you are health Consious and are still willing to have a junk food. Then go for this hemp based, guilt free food from here. Hemp tasted so good in the food and I was pretty happy that I was enjoying my Junk craving too. Everything ordered was so perfect and yummy. The chocolate smoothie and the brownie were the main attraction of the whole meal ,if you are a chocolate lover you will love it for sure. This place is definetely worth ordering. Go for it without giving a second thought.
