SOIL STORIES IS A JOURNEY THROUGH THE MYRIAD STORIES AROUND THE GROUND BENEATH OUR FEET - THE PHYSIOLOGICAL, BIOLOGICAL, ECOLOGICAL, SPIRITUAL, AS WELL AS THE CULTURAL.

THROUGH A SERIES OF IMMERSIVE SPACES, INTERACTIVE INSTALLATIONS AND MULTIMEDIA ARTWORKS, THE EXHIBITION EXPLORES THE COMPLEX INTERPLAY BETWEEN SOIL, LIFE ON EARTH, AND OUR INDIVIDUAL AND COLLECTIVE IDENTITIES.

AS A PART OF THIS SIX WEEK LONG EXHIBITION, WE WILL ALSO HOST WORKSHOPS, DISCUSSIONS, FILM SCREENINGS, PERFORMANCES OPEN TO ALL, AS WELL AS GUIDED TOURS AND DEMONSTRATIONS FOR SCHOOLS AND COLLEGES. WE INVITE YOU TO COME UNEARTH THE STORIES HIDDEN IN THE SOIL AND REDISCOVER THE SEEDS OF OUR CONNECTION WITH THIS EARTH.
